Hi (b) (6)

Great to hear from you...and we knew each other when (b) (6) was your last name. Sending CONGRATS if in order. :)

WDC is terrific. Job is intense, but I love that. Of course, happy to help. The correct address is:

HON Patrick M. Shanahan
Deputy Secretary of Defense
1000 Defense Pentagon
Suite (b) (6)
Washington, DC 20301-1000

My work email is copied (this also is important relative to our ethics agreements).

Wishing you the very best and I do miss working with you.

Hugs!

Happy New Year! How is WDC treating you?

I was wondering if you could help me with something: Our office needs it to mail Pat a D&O questionnaire – to elicit information that SEC requires us to disclose concerning former executive officers who served during a portion of 2017 – in preparation for the 2018 Annual Meeting of Shareholders.

Would you be able to share with me a current address that we could send him the document?

I hope everything is going well.

Thank you!

Subject: Post Farnborough Golf Escape
Date: Monday, January 8, 2018 6:46:28 AM

Happy New Year to All!

I hope each of you and your families enjoyed a wonderful holiday season.

It's time again to organize our 17th Irish Escape. For those who are receiving this invite for the first time, our Aerospace colleagues have found it most pleasurable to come and relax in a bucolic setting in Southern Ireland; enjoy some golf at the most spectacular course in the world; and observe the traditions and welcoming nature of the Irish culture.

I have been urged again to coordinate this year's Escape. It is my pleasure to extend an invitation to you – and your spouse, if you wish. As you may be starting to plan your calendars for mid-2018, especially events surrounding the Farnborough Air Show (Monday, July 16th – Sunday, July 22nd), consider this venue as a refreshing stop-over enroute home. Since we do have capacity restrictions, I would appreciate the earliest indication of your ability to join us. Most of you have joined me in the past and agree we have had a blast and created many special memories.

The Venue:

****The event will be held from Wednesday evening, July 18th – Sunday noon, July 22nd at our favorite spot, Kinsale, Ireland...the most Southern tip of the Irish coast.**

****We will be staying at the unique Irish country estate, The Ballinacurra House (www.ballinacurra.com).**

****We encourage you to try to arrive by the kickoff dinner, Wednesday night. We understand that some may arrive on Thursday morning.**

****We've allowed for Thursday a.m. arrivals to state in time for early afternoon golf.**

****We have secured tee times beginning at 12 noon, Thursday and continuing Friday, Saturday and Sunday mornings at the famous, Old Head Golf Links (www.oldhead.com)**

****For those who wish, we have planned early golf on Sunday, July 22nd to allow late afternoon departures back to the States.**

****If you wish to arrive earlier than Wednesday or stay beyond Sunday, the management at Ballinacurra House and Old Head will be happy to accommodate lodging and extra golf play.**

As mentioned, this year's event welcomes spouses and significant others. I will work with Des and Lisa McGahan, owners of The Ballinacurra House, on a spouse program that will include golf for those who wish to play. Des and Lisa in the past have and will certainly again this year arrange a program very suitable for all who attend.

It is customary to pool the total expense and allocate per individual. This would include the cost of green fees, limo shuttles, food and lodging. Because several of us hold Old Head memberships, we will enjoy VIP guest rates for golf and lodging.

The highlights of this experience have been our continuing fellowship and the beauty and fun at what Golf World officials view as the most spectacular golf course in the world.

As we move closer to the time, I will send you a more complete agenda and pertinent information for your executive assistants.

I thank many of my colleagues for requesting we carry on this venue and I look forward to hearing back from you and providing further "Irish Escape" details.

Best regards,

(b) (6)

My apologies for the delayed response – we're happy to provide parking – we just need the driver and vehicle information (model, make, license plate state and number) – no PII.

Also, we will have escorts at the River Entrance to escort to the meeting and back to the car after the reception.

All my best,

Amy.

Hi (b) (6),

I am trying to arrange a tour for 18 Boeing Executives and managers, I tried the Pentagon Tours office, but the date we are requesting are currently booked.

I hope you can help us, everyone was really looking forward to visiting the Pentagon.

Initially, when I checked the web site, the Tours office was only accepting tours 30 days in advance.

When I went to the web site today, it appears the request date has changed to 90 days out now and May 16 is not available.

Had I known of the change I would have applied earlier.

Attendees are all Boeing Employees, Executives and Managers throughout our Boeing facilities, and one employee from Australia.

They are meeting in Washington DC for their annual meeting, locations change every year, this is their first time in the Washington, D.C. area.

They are available for a tour on Wednesday, May 16, 3:00/1500 hours, information is below, and I can provide SSN# and Birthdays, if required.

If another time is better please let me know, they also have availability on Thursday, May 17, before 10:00 or 3:00.

Hi (b) (6)

I am trying to arrange a tour for 18 Boeing Executives and managers, I tried the Pentagon Tours office, but the date we are requesting are currently booked.

I hope you can help us, everyone was really looking forward to visiting the Pentagon.

Initially, when I checked the web site, the Tours office was only accepting tours 30 days in advance.

When I went to the web site today, it appears the request date has changed to 90 days out now and May 16 is not available.

Had I known of the change I would have applied earlier.

Attendees are all Boeing Employees, Executives and Managers throughout our Boeing facilities, and one employee from Australia.

They are meeting in Washington DC for their annual meeting, locations change every year, this is their first time in the Washington, D.C. area.

They are available for a tour on Wednesday, May 16, 3:00/1500 hours, information is below, and I can provide SSN# and Birthdays, if required.

If another time is better please let me know, they also have availability on Thursday, May 17, before 10:00 or 3:00.

Hi,

I am RSVP'ing for Mr. Dennis A. Muilenburg, Chairman and President & CEO, The Boeing Company.

Unfortunately he cannot attend, he will be out of the country, and very disappointed to miss the unveiling.

He also passed on his “thanks” for inviting him, he thinks very highly of Secretary Carter.

Subject: (On behalf of Pat Shanahan) - Requesting information for Mr. Shanahan's annual financial disclosure report
Date: Monday, June 4, 2018 1:40:46 PM

Ms. Capozzi,

Greetings from the Pentagon. I am an ethics attorney with the Department of Defense and I am assisting Mr. Pat Shanahan with the annual financial disclosure report he is required to file with the Office of Government Ethics. Ms. (b) (6) recommended that I reach out to you. I am writing to ask if you or a member of your staff would have time open tomorrow morning for a phone call to discuss some information that Mr. Shanahan needs to complete this report.

As I'm sure you are aware, Mr. Shanahan was appointed as the Deputy Secretary of Defense last year after many years with the Boeing Company. As part of his transition from Boeing, he elected a payout of his Voluntary Investment Plan. I am assisting Mr. Shanahan with determining the additional details of that transaction and others so that he may correctly complete his financial disclosure report.

I've copied Mr. Shanahan and Ms. (b) (6) in the event you require any information from them. Please let me know the best time and number to call tomorrow or, if you aren't available then, another time when I may reach you or your staff.

Thanks very much for your assistance.

Best regards,

Thank you (b) (6)

Would you be available tomorrow morning at 8:30 or 9 (Chicago time) for a phone call? If those times are not convenient, please let me know when you are available. I can arrange my schedule to be available at any times other than between 10-12 (your time). We may need as much as 30 minutes.

While serving as the Deputy Secretary of Defense, Mr. Shanahan must annually complete a financial disclosure report required by the Office of Government Ethics. My objective is to clarify the compensation Mr. Shanahan received from Boeing last year so that the information is consistent with the initial report Mr. Shanahan filed when he was appointed to his current position. Mr. Shanahan's initial report reflected estimated payouts and settlements he anticipated he would receive when his Boeing employment ended. Now we are trying to show the amounts that were actually paid out.

Attached is a spreadsheet I've put together based upon the information Mr. Shanahan reported on his initial Financial Disclosure Report. We were able to obtain some of the income information from Mr. Shanahan's financial advisors, but I've highlighted the information that we are missing. (b) (6)

I hope this initial information is helpful. I look forward to speaking with you, and I appreciate your time and help.

Jon

Great! I'll be at my desk and the direct number is (b) (6)

It would be ideal to receive the information this week to avoid requesting an extension of the Office of Government Ethics' deadline. However, it's better to be accurate, so we can discuss the timeline once we understand what is readily available and what may require some research.

I look forward to speaking with you and very much appreciate your help.

Thanks very much for the help that you and (b) (6) provided today. Attached is a copy of the financial disclosure report that Mr. Shanahan filed last year. This is a publicly available report. The area of the report I was discussing with you is Part 2, and the categories match the spreadsheet that we were looking at together. Part 3 reports the agreements he has with Boeing regarding payouts or future compensation.

I will look forward to hearing from (b) (6) and I am available to answer any questions she has. Although I will be out of the office on Friday, I will be monitoring email and will be happy to call or correspond with her at any time. Thanks again!

Thank you for the note. I am looking forward to the meeting on Thursday. I will either walk or be dropped off at the Pentagon. I've had meetings at the Pentagon before so I believe I know how to get to the visitor entrance and then through security. I assume that your office will have a greeter meet us in the gathering area and escort us to the meeting room, is that correct?

Again, thank you for reaching out to me. I hope the invitation has received an overwhelming positive response.

Thank you for the note. I am looking forward to the meeting on Thursday. I will either walk or be dropped off at the Pentagon. I've had meetings at the Pentagon before so I believe I know how to get to the visitor entrance and then through security. I assume that your office will have a greeter meet us in the gathering area and escort us to the meeting room, is that correct?

Again, thank you for reaching out to me. I hope the invitation has received an overwhelming positive response.

Subject: Protocol Workshop - Please Participate as a Panel Member for "Chiefs of Military Protocol" Session

Hello Protocol Colleagues! Boeing and Protocol and Diplomacy International – Protocol Officers Association (PDI-POA) are co-hosting a local regional Protocol Workshop on Friday, November 2nd. I invite you to be a panel member for a session on “Chiefs of Protocol for Military Services”. (We will schedule a meeting to determine specific information/topics to cover once we know who is participating. The session is scheduled for an hour to include Q&A). The event will take place at our Boeing facility located in Arlington VA.

The November workshop marks Boeing’s fourth partnership with PDI-POA to co-host protocol education training and network opportunities with colleagues in our profession. Invitations will be extended to local Washington DC area members of PDI-POA and Boeing as well as non-member protocol professionals in government agencies (to include militaries), local industry, small businesses, and universities. While the agenda is still being formalized, we are excited to have a tentative selection of speakers and a draft program is attached.

Founded in 2002, PDI-POA is an international association of protocol professionals dedicated to issues of protocol service to our communities. It was established at the first international protocol meeting held at the United States Department of State in Washington, D.C. PDI-POA holds the highest level of collective expertise, training, information, and advice regarding internationally and nationally accepted rules of protocol. Caution-

Recent workshops have been conducted in Toronto Ontario, Canada; The National Archives, Washington DC; Coca-Cola Headquarters, Atlanta GA; Silicon Valley, Woodside CA; and at the Swiss Embassy in Washington DC among many others.

Please contact me with any questions. I look forward to hearing from you.

Cheers! (b) (6)

Okay – I'll send a note to (b) (6) and say I'm interested, but we have a ceremony that day and I'll see what I can do.

I know nothing about the London School of Protocol. I'm really not helpful lately, sorry.

In the spirit of taking your great ideas (like your read ahead template), is there a POC with the vendor you worked with to get the OSD jackets? I want those for this team, too.

P.s. Thank you for that nice note you left for me in the SecArmy's office – that was really sweet of you and made my day! ☺

Hello colleagues and thank you again for agreeing to participate on a "Chiefs of Military Protocol Offices" Panel at the PDI-POA/Boeing co-hosted Protocol Workshop on November 2nd at 9:30 a.m.

I would like to schedule a time either in person (I can come over) or via phone that we can chat. It would be wonderful for all to meet/or via phone at the same time if possible. Will you please let me know your availability next week? Mon-Wed or Friday? I have a conference call number we can use if that is easier for everyone.

Also - will you each please send me a short bio? (Preferably 200 words or less). Please let me know if you have questions!

We have finalized the agenda for the day (hopefully no cancellations!)

Did we invite all of these folks? How was this list generated? Also, do we need to clear this with the ethics office?

Also, I think we should limit each organization to two people at the most. I am concerned that this meeting could be misunderstood by companies not in attendance.

Hello all. I'm looking forward to seeing y'all on Friday at the Boeing/PDI-POA Protocol Workshop! The networking coffee begins at 0800 followed by Ambassador Lawler at 0830. Then our panel at **0930 -1030**.

I want to verify how I'll introduce you. Is the title listed below correct? If not, please let me know.

<!--[if !supportLists]-->a. <!--[endif]--> (b) (6) is the Director of Protocol, Office of the Chairman of the Joint Chiefs of Staff

My plan is to introduce you all (not read your bio!) and then the first question to each of you will be: Briefly describe your role and who you support. I am working with our AV team and think we have enough lapel microphones for everyone one. If not, we'll have hand-helds.

- d. (b) (6) is the Protocol Director for Marine Barracks Washington
- e. (b) (6) is the Protocol Officer for the Secretary of the Navy

My plan is to introduce you all (not read your bio!) and then the first question to each of you will be: Briefly describe your role and who you support. I am working with our AV team and think we have enough lapel microphones for everyone one. If not, we'll have hand-helds.

Please let me know if you have any questions. Cheers, Kathleen

Sir,

Just about 45 minutes ago I and other members of my team received an email from an address that I'm not familiar with, claiming to be you, it is from Shanahan, Patrick HON SD

(b) (6) which is different than this email address. It was sent blind CC with an attachment which also raises concerns. I'm not sure how you got our email addresses either. I did however look at the previous messages that were published on the defense.gov website and the writing is very similar in each. I just wanted to confirm you did indeed send this recent article out and your account wasn't hacked or something else is going on. Please confirm.

Thanks,

(b) (6) / (b) (6) Ralph (b) (6) - see below, sounds like monthly message may be going external to DoD. I thought we had the distro focused on only DoD/5th Estate Mil/Civ gov employees and GOFO/SES across the force. Do any of you know who in our office is working the distro list and tracking how the monthly message is launched? Just want to be able to confirm and review the list so we all have SA.

Please do NOT forward this note. No response needed, will plan to discuss Monday AM at DSD office stand-up.

Have a great weekend, certainly a beautiful Fall day!

Thanks
Matt
